***With an emphasis on our Habits of Heart and Mind and a diverse perspective**

“The greatness of a community is most accurately measured by the compassionate actions of its members.”

Great! What
does that look
like?

First Semester Goals:

An offering each month: at least 2 family events and one adult event per semester, 2 FAN meetings and one fundraising event per semester

Second Semester Goals:

An offering each month: at least 2 family events and one adult event per semester, 2 FAN meetings and one fundraising event per semester

Let's Brainstorm ideas!

-Room coordinators vs. Mentor families

-An Annual Rhythm:

5 signature events that responsibility rotates between Cores...or same Core oversees the same event each year?

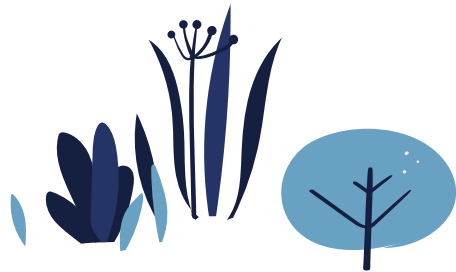

-engage people by calling for volunteers from specific demographics (ie newfamilies)

-Something to think about further:

- Room coordinators and gifts
- How to set up successful, sustainable mentor opportunities
