DA VINCI CONNECT 2025-26

This document verifies that the individual signing below is the primary educator for:

who is a student in grade _____ at Da Vinci Connect,
a public independent study school that supports families who homeschool.

TEACHER / FAMILY PARTNERSHIP AT DV CONNECT

Da Vinci Connect is based on a model of both classroom-based and family-facilitated (homeschool) instruction. Families assume the primary role in their children's education and are valued educators. As a public school and independent study school, parent educators play a primary role in facilitating student learning and function in ways similar to classroom-based educators.
