SUMMER “FILL YOUR BUCKET” CHALLENGE

Our final Parent Educator Conference of the year was a huge success! Families came to campus to “fill their buckets” with a variety of fun and engaging summer activities designed to keep the homeschooling going until we gather again in the Fall. The day also featured a fun kickball tournament, culminating in a competitive game between students and staff!

ANNUAL TALENT SHOWCASE

A celebration of young artists coming together to demonstrate their talents on and off the stage! Performances included singing, dancing, comedy, rhythmic gymnastics, musicians playing instruments, & movement. Visual Artists shared paintings, sculptures, drawings, & elements of fashion design.

ANNUAL TALENT SHOWCASE

On 5/30, Connect students and families participated in the Annual Talent Showcase hosted by Connect K8's Family Action Network. The event was held at Da Vinci High School's Black Box Theater. Pre-show entertainment included a Visual Arts gallery with artwork from participating students ranging in age from 6 to 13 years of age. Both students (and parents) did an amazing job of owning the stage, demonstrating a desire to attain mastery of singing, dancing, playing instruments, comedy, and movement! Audience members experienced laughter, tears of joy, and a feeling of awe over the level of talent the artists exhibited. With over 45 students participating in the event

"Connects Got Talent" is more than a slogan, it's a fact! Huge thanks to the Family Action Network team of Mishel Eder, Alicia Simmons, Katie Forsha, and Courtney Denham. Also, congratulations to our student ambassadors and stage manager extraordinaire Ciji McBride for a job well done. "I'm grateful for the opportunity to create such wonderful memories with our students and families, and to see the growth of students who attended rehearsals week over week is mind blowing!" --Jahmal Durham
